LIVE WITH JESUS TO LIVE LIKE JESUS

## Off and Running!

At the beginning of a marathon the runners need to know the time the race starts, where to sign in, the location of the starting line, and a clearly marked course to bring them to the finish line. Once they know what the race looks like, they're ready to run until they cross the finish line! Scripture charges us to *"run with endurance the race God has set before us. We do this by keeping our eyes on Jesus, the champion who initiates and perfects our faith."* (Hebrews 12:1-2) We don't run this race of life alone. Jesus Christ shows us the way and runs with us, encouraging and challenging us to follow His example of trusting and serving God the Father.

Sunday, September 11<sup>th</sup> we begin our fall message series, "Living the Christ Life", in which we explore our values; the way we run our race for Jesus Christ:

- ◆ We invite people to live as disciples of Jesus Christ.
- ◆ We discover our relationship and responsibility to God in the Bible.
- ◆ We pray the way Jesus taught.
- ◆ We listen to and respond to God.
- ◆ We live a rhythm of worship, community, and mission.
- ◆ We employ our ministry gifts
- ◆ We train leaders.
- ◆ We engage ready people.
- ◆ We practice radical generosity

Once we get our pace down of running our race for Christ, in October we'll all have an opportunity to put our values into practice in a four week experience called *"4 Nights, 4 Others, 4 Christ!"* It will be a great way to put into practice what we've learned together, utilizing our *"Up, In and Out"* rhythm of worship, community, and mission!

**Cornerstone United Methodist Church**

## THE AFRICAN CHILDREN'S CHOIR

The African Children's Choir is composed of African children, aged 7 to 10 years old. Many have lost one or both parents through the devastation of war, famine and disease. They represent all the children of a continent and they demonstrate the potential of African children to become strong leaders for a better future in their land.

## WHAT IS THEIR CONCERT LIKE?

The children melt the hearts of audiences with their charming smiles and delightful African tunes, accompanied by ethnic instrumentation. The program features well-loved children's songs, hand clapping, traditional spirituals and contemporary tunes. Nearly every performance is concluded with a thunderous standing ovation.

**\*\*If you would love to host children from the choir and an adult chaperone, please call the church office. Six homes are needed that can provide 2 bedrooms for Sunday, October 2nd thru Tuesday, October 4th, along with breakfast and the evening meal on Monday and Tuesday.**

**Attention CDL drivers:** The Kids Ministry is looking for volunteers who have a CDL to pick up kids from the new Intermediate School on Tuesdays and Wednesdays after school. Time commitment is 3:20—3:50pm. If you would be willing to serve in this way, please contact Lola or Michelle at 605-886-2242. Thank you!

## THINKING Series

### "Asking Life's 5 Biggest Questions"

Fireside Room

Dr. Kim Wilde

This 10-week course tackles the top five questions university students are asking today:

- "What is the meaning of life?"
- "Does God exist?"
- "Do all religions lead to God?"
- "Why is there evil?"
- "Is there life after death?"

This class will help you understand how these five questions are interconnected, build on one another, and clearly explain the Gospel. Will be geared for both students and adults.

## PRACTICAL LIFE Series

### "Master Your Money"

Upper Level  
'Paul' Room

Dean Shemon

The first of two 4-6-week classes, in 'Master Your Money' you will learn principles from God's Word and apply them to your financial portfolio. Learn how to:

- Avoid the most common financial mistakes
- Apply biblical principles for money management
- Save, invest, and give wisely
- Create a long-term financial plan that works
- Plan for your taxes and estate needs
- Get out of debt

*NOTE:* This class will be followed by another 5-week class called "Work as Worship".

## SERMON Series

### "The Christ Life"

Upper Level  
'Timothy' Room

Luke Smith

This class will go deeper into Pastor Steve's sermons that he will be preaching this fall. As we go through each value, we will be asking the questions:

- Why does this value matter to us?
- Is there a biblical case for this value?
- Is there a way to remember this value?
- How can we live these value out in our lives?

*Note:* This class will finish on November 6th. At which point we will begin a new series alongside the next sermon series.
