PRACTICE

- Continue to pray for the people God put on your heart last week. Ask the Lord to provide an opportunity to connect with **one** of the people on your list. Reach out to them. If they are not able to connect, reach out to another on your list. List out some ways you might be able to connect with them, such as – sharing a meal, having coffee together, going to a game together, taking a walk together, going shopping together, etc.

NEXT WEEK

- Plan to share our stories of how we connected with people.
